FURNITURE

## — OUR LONG JOURNEY TO SUCCESS

Our company PROTEAS – PAPAIOANNOU BROS SA represents one of the most dynamic companies in manufacturing furniture products. Throughout our 65-year old experience our company has generated trends, has been pioneer in creating a brand name with character and philosophy giving a different breath in Greek furniture sector.

The initial aim of the company was from its first steps the continuous seeking of ways to fully satisfy customers' living desires who feel their home as a space of relaxation in day-to-day life.

The history starts in 1956. In Greece those days manufacturing furniture demanded handicraftsman and only a few tools available. The evolution in the furniture manufacturing sector has been rapid, following the twentieth century's swiftness. Mr. Vasilis Papaioannou, founder of our company, has always been one step ahead and has managed to move from handicraftsman to standard industrial furniture through research and investments. The small carpentry workshop transformed to a privately owned up-to-day factory of 12.500 m2 capacity in a land of 56.000 m2, equipped by the latest technology machines.

Our company today is managed by people with spirit of continuously searching for new ideas, but who also show their faith, care and devotion to cooperators and company's human resources.

Focused on the integral furnishing of facilities, hotels, apartments, restaurants and endless projects, the contract sector (A-Z) is a field that PROTEAS-PAPAIOANNOU BROS SA is engaged, undertaken important projects not only in Greece but worldwide.

Based on the ideas and needs of our customers, the technical department of Proteas team, designs and projecting the needs of the customer and turn it into a reality because we have the a highly specialized team to adapt the spaces to the singularity of each project.
